

## Baton Information

All students will need a [7/16 inch Star Line Starlet baton](#). See below for size guide:

How to measure for the correct baton length:

1. Have your child stand erect and extend one arm straight ahead, parallel with the floor.
2. Using a tape measure or a yard stick, measure from the top of the shoulder where it meets the neck out to the tip of the middle finger.
3. If the measurement is between sizes, choose the larger measurement—in other words, size up!

If you can't take measurements:

- Ages 1-4: **18 inches**
- Ages 5-7: **20 inches**
- Ages 8-10: **22 inches**
- Ages 11-12: **24 inches**
- Ages 13-14: **26 inches**
- Ages 15+: **28 inches**

*If the person is tall for their age, add 1-2 inches. If they are small for their age, subtract 1-2 inches.*

Reach out to Ms. Karla at (931) 260-6895 if you have any questions!
